

Welcome to the 23rd CATHARE Users Club meeting

June 3rd - 5th, Grenoble, France

Introduction

Bernard FAYDIDE - CEA

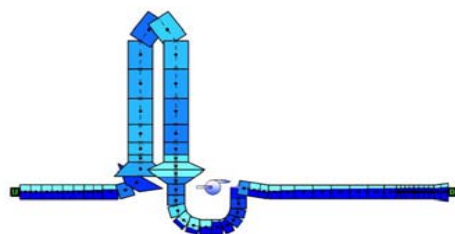

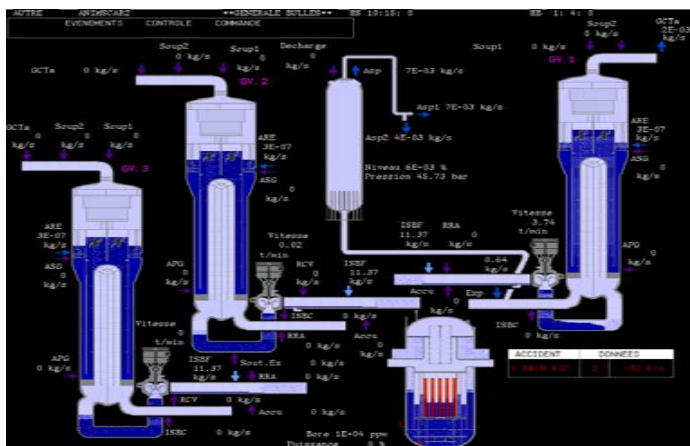

CATHARE User's Club-2009, Grenoble, France

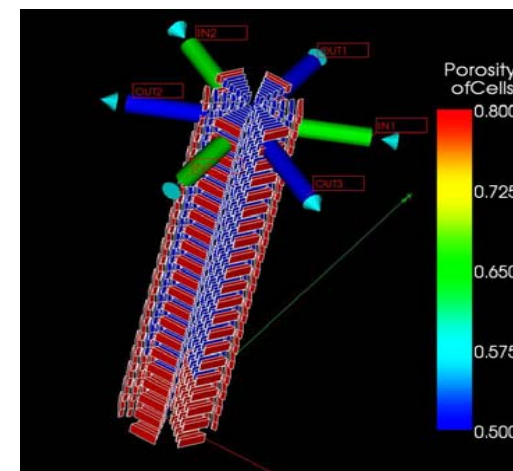

The CUC is the opportunity :

- For all the users : to show their works on various applications and to share experience on the CATHARE nuclear reactor safety code
- For the CATHARE team : to present features and functionalities of the new version of the CATHARE code
